## PSC AMBASSADORS AND AMBASSADORS OF CONTRIBUTING STATES

**SUBJECT:** 2-2013 CALL FOR CONTRIBUTIONS FOR THE EUROPEAN UNION CAPACITY  
BUILDING MISSION IN NIGER (EUCAP SAHEL NIGER)

**REFERENCE:** COUNCIL DECISION 2012/392/CFSP OF 16 JULY 2012 ON THE EUROPEAN  
UNION CAPACITY BUILDING MISSION IN NIGER (EUCAP SAHEL NIGER)

Dear Ambassador,

### 1. Background

The Council Decision 2012/392/CFSP of 16 July 2012 established a European Union CSDP Mission in Niger (EUCAP Sahel Niger) with a mandate to support the capacity building of the Nigerien security actors to fight terrorism and organised crime.

The Director of the Civilian Planning and Conduct Capability, CPCC, on behalf of the Head of Mission, kindly invites Member/Contributing States to put forward qualified candidates for the positions as listed in Annex 1 within EUCAP Sahel Niger.

### 2. Methodology

- a) Member/Contributing States are requested to examine the personal profile and job description to ensure that:
  - proposed candidates meet the listed criteria described in the essential requirements and in the job descriptions (**Annex 1**).
  - each candidate completes the standard job application form in French or English (**Annex 2**). Applications will be considered only when using this form and indicating which position(s) the candidate is applying for.

- b) Proposed candidates should satisfy in full the criteria set out in the job description. The main criteria for suitability for posts are professional and specific skills and experience.
- c) We would appreciate it if Member/Contributing States would submit offers of personnel at their earliest convenience, **but not later than close of business on 12 July 2013.**

Member/Contributing States should submit their personnel offers, by e-mail to the following address:

**Civilian Planning and Conduct Capability, CPCC,  
E-mail: EEAS-CPCC-EUCAP-Niger@eeas.europa.eu**

- d) CPCC will be responsible for notifying Member/Contributing States of the outcome of the selection process. Communication of the selection results is expected to take place in July 2013.
- e) Selected personnel should be ready for deployment to Niger within the deadlines specified in each job description. Subject to the Council approval of the next Mission's Budgetary Impact Statement, the duration of the deployment should be of 12 months.

### **3. General Information**

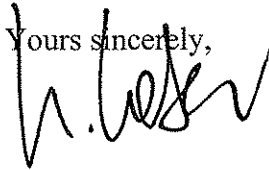

- a) For seconded positions, only personnel nominations received through official channels from Member/Contributing States will be considered. Member/Contributing States will bear all personnel-related costs for seconded personnel, including salaries, medical coverage, travel expenses to and from the Mission area (including home leave). For EU Member States personnel, daily allowances as specified in the Council Documents 7291/09 (10 March 2009) and 9084/13 (30 April 2013) will be covered by the Mission.
- b) Seconded personnel will bring their uniforms. However, depending on the local environment, the Head of Mission will decide about the dress code and if civilian or uniforms are to be worn by the Mission Members. Insignia(s) will be provided to the participants.
- c) The EU strives for improved gender balance in CSDP operations in compliance with UNSCR 1325. CPCC encourages Member/Contributing States to take this into account when offering contributions.
- d) The selected candidate will have to be in possession of the necessary level of security clearance, as indicated in the requirements of the relevant job description. The original certificate of the national security clearance must accompany deployed seconded personnel.
- e) Any further information required related to the selection and deployment of EU staff may be obtained from the CPCC, by contacting:

**Mr Frank Borchers  
E-mail: frank.borchers@eeas.europa.eu  
Phone: +32 (0) 2 584 6906**

- f) It is moreover expected that all new Mission Members have undergone pre-deployment training before joining the Mission. Hence, we draw your attention to the pre-deployment training courses for the newly selected Mission Members, regularly organised under the ENTRi project and free of charge.

All information is available on the website: <http://www.entriforccm.eu>.

In case ENTRi does not offer a suitable course, a national alternative is also an option.

Yours sincerely,  
  
Hansjörg Haber
