DISTRIBUTION OF SELECTED CANDIDATES ACCORDING TO THE NATIONALITY OF THE EMPLOYER

The annual total is usually split in 2: half for the March session and half for the October session. The Permanent Representation may submit more applications for March, which will be counted off from those for October, as it is the annual total alone that counts.

If the quota for the previous session (2013/2) was not reached, the difference is added to the normal quota allowed for this first session (numbers in red). The surplus from 2013/1, which was added to the 2013/2 quota, is lost to this 2014/1 session.
