## European Commission National Experts in Professional Training (NEPT) Programme

### FREQUENTLY ASKED QUESTIONS

#### 1. Before the secondment

• Legal base	The base to this programme is provided by the Commission Decision C(2008)6866: <a href="http://ec.europa.eu/civil_service/docs/regime_end_en.pdf">http://ec.europa.eu/civil_service/docs/regime_end_en.pdf</a> .
• Eligibility	You must be employed by a public administration under the status of permanent official or contract staff member. No special amount of years of professional experience is requested. Your application ( <b>duly signed</b> application form + CV in Europass) must be transmitted by the Permanent Representation of your employer's country. You may not have benefited from any previous contract, employment or traineeship within a European institution or body (except the visiting programme "Erasmus for Officials").
• Selection procedure	There is a first phase during which the 3 Directorate-Generals (DGs) and/or Cabinets you indicated in your application form have priority on other services, in the order indicated. Then there is a second phase where remaining candidates are appointed to the first service requesting them. At the end of the selection period, in principle only the service that will host a candidate will contact that person (the services are not entitled to contact the candidates that are not appointed to them). The final appointment is communicated by the Directorate-General for Human Resources and Security to the Permanent Representations first, and then to the candidates individually. If that offer does not match the candidate's or the candidate's employer's expectations, he/she can withdraw the application and register again for the following exercise.
• Starting date/duration	Is a change of dates/duration possible? Yes, provided that you still start either on 1st or 16th of March/October, and for a period of min. 3 and max. 5 months (6 months if appointed to a Cabinet). You also need your employer's and the hosting DG's approval and you have to inform the NEPT sector at the latest 2 weeks before the starting date. Any change requested at a later stage will not be accepted.
• Mandatory documents	<b>Before your taking-up duty</b> , you must have submitted a copy of your passport or identity card and your employer's declaration.
• Financial documents	The Legal Entities and Financial Identification forms can be sent either beforehand, or at the moment that a mission is being programmed (if any).
• Insurance	During the whole duration of the professional training, you must be covered by the social security legislation applicable to the civil service of your national administration, which will assume responsibility for expenses incurred abroad, and be insured against the risk of accidents, death and invalidity
