Subject: Secondment to the General Secretariat of the Council of two national experts specialised in crisis management

Ref.: END/2/2016 (3227/4515)

Dear Sir / Madam,

The Civil Protection Unit (DGC2C) of the General Secretariat of the Council (GSC) is hiring two seconded national experts, to work on policy development and implementation of the EU's Integrated Political Crisis Response (IPCR) arrangements and the Solidarity Clause. These experts should have a sound experience of national crisis management at cross-sectoral and strategic level.

The IPCR is the Council's crisis mechanism supporting Council decision making when faced by major cross sectoral crises. It was approved by the Council on 25 June 2013 (doc. ST 10708/13). The IPCR also underpins the political response to the invocation of the Solidarity clause (art. 222 TFUE).

The IPCR has been activated for the first time in October 2015 in the framework of the migration and refugee crisis. Thanks to strong buy-in from key stakeholders (Member States, European Commission, the European External Action Service (EEAS), relevant agencies), it has become an effective tool in coherent agenda-setting and coordinated fact-finding. Since its activation, the IPCR has allowed to generate more than 20 weekly integrated reports, and in support to Council decision making the Presidency has called 2-3 weekly crisis meetings (roundtables) both at high and working levels.

The GSC ensures the support for the operation of the IPCR, working closely with the Commission and the EEAS.

The job description is annexed.

The duration of the secondment is two years, with the possibility of extension to a maximum of four years in total. Please note that according to Article 5 of Council Decision 2015/1027/EC, this secondment could be extended for an additional two years in exceptional cases. The qualifications and experience required are set out in the Annex.

The conditions of the secondment, including allowances paid by the Council, are set out in the Council Decision of 23 June 2015 on the rules applicable to national experts on secondment to the General Secretariat of the Council (2015/1027/EC, OJ L 163, 30.6.2015, repealing Decision 2007/829/EC). According to Article 2 of that Decision, seconded national experts should be nationals of an EU Member State.

Member States are hereby invited to propose candidates qualified for this post.

I should be grateful if proposals could indicate the national contact point responsible for each candidate's submission. Submissions should be accompanied by a curriculum vitae detailing all posts held until present as well as education, and by a letter stating the motivation for the application.

Replies to this letter should be sent by e-mail, no later than **1 June 2016** to the following address:
service.recrutement-END@consilium.europa.eu.

The relevant department, together with the Human Resources Directorate, will examine the applications received, decide which candidates to shortlist, and conduct the interviews.

The Appointing Authority will decide on the secondment based on the outcome of the selection procedure. The General Secretariat of the Council may also decide to use the list of suitable candidates to cover possible future vacancies fitting the same profile.

Yours faithfully,

Cesira D'Aniello
