

CALL FOR EXPRESSION OF INTEREST IN THE RECRUITMENT OF A SECONDED NATIONAL EXPERT ("SNE") AT EUROJUST

Seconded National Expert to represent Eurojust in the European Counter-Terrorism Centre established at Europol (ECTC)

Reference: 17/EJ/SNE/01

The European Agenda on Security (COM/2015/0185 final) calls for Eurojust to be fully involved in the activities of the European Counter-Terrorism Centre (ECTC) within Europol to improve the coordination of investigations and prosecutions.

Eurojust wishes to set up a list of candidates interested in a fixed-term agreement on secondment as a Seconded National Expert (hereinafter referred to as "SNE") to represent Eurojust in the ECTC for a period of **one year, with the possibility of renewal**.

Seconded National Experts are employed by a national, regional or local public administration and seconded to Eurojust so that Eurojust can use their expertise in a particular field.

Eurojust is a European Union body established in 2002 (Council Decision 2002/187/JHA of 28 February 2002 on the setting up of Eurojust, amended by Council Decision 2003/659/JHA of 18 June 2003 and by Council Decision 2009/426/JHA of 16 December 2008 on the strengthening of Eurojust) to enhance the effectiveness of the competent authorities within Member States dealing with serious cross-border and organised crime.

The College of Eurojust is composed of 28 National Members, one nominated by each EU Member State. The College elects one of the National Members to be its President. The Administrative Director is responsible, under the supervision of the President, for the day-to-day administration of Eurojust and staff management.

For further information, please consult our website: www.eurojust.europa.eu

The SNE will be functionally reporting to the Chair of the Counter-Terrorism Team and administratively exercise his/her activities under the authority of the President of Eurojust.

The SNE is expected to work full-time on matters related to terrorism. He/she will report to the College via the Chair of the Counter-Terrorism Team, who will – in consultation with the President of Eurojust – also appraise the performance of the SNE and, where necessary, decide on priorities to be observed by the SNE.

One of the main duties of the SNE will be to act as a representative of Eurojust in the ECTC in operational matters, i.a. to facilitate the exchange of information; to help ensure the gathering and admissibility of evidence in judicial proceedings; to facilitate the early involvement of Eurojust and the optimisation of the coverage of the judicial dimension within the ECTC, aimed at an increased effectiveness of prosecutions, swift judicial cooperation in cross-border investigations and, where appropriate, confiscation of assets in terrorism cases; to support an enhanced cooperation between Eurojust and Europol in the field of counter-terrorism; to help ensure complementarity of the respective support of Eurojust and Europol offered to the national competent authorities of the EU Member States; and to assist in identifying and preventing, insofar as possible, any duplication of work.

In particular, the temporary posting of a Eurojust representative aims at providing assistance and support in line with Eurojust's mandate and without prejudice to the powers and competence of the National Members:

- in investigations and prosecutions of terrorism, initiated and supported, where appropriate;
- in the coordination between the competent judicial authorities of the Member States of investigations and prosecutions of terrorist related offences, where necessary;
- in the execution of requests for judicial cooperation, of EAWs and of other instruments giving effect to the principle of mutual recognition, where appropriate;
- in asset recovery procedures in terrorism cases, where necessary;
- in the identification of the main obstacles to criminal investigations into terrorism and judicial cooperation in terrorism investigations and to judicial coordination between Member States (and with third States);
- in the identification and collection of any best practices regarding the investigation and prosecution of terrorist related offences, as well as their dissemination to the competent authorities of the Member States.

Administrative placement of the SNE: For administrative purposes, the SNE will be placed in the Office of the President of Eurojust and will receive the necessary administrative support from the Office of the President of Eurojust.
