

EUROPEAN EXTERNAL ACTION SERVICE

Annex 3

List of recommended security equipment

The Police/Military Officers deployed by EU Member States and Invited Third States to EUCAP Sahel Niger should have the following clothing and equipment:

- a.* National Police/Military Uniform and Field Working Police/Military Uniform (this includes the summer uniform, as well as underwear, socks etc.). The uniform should clearly allow distinguishing between the police and the military forces.
- b.* Police/Military Officers shall be fitted with individual protection gear (flak jackets - level 4- and bullet proof helmets), and with armament (a 9 mm duty side arm with 100 rounds of ammunition, and a long weapon together with five loaded magazines for those who have been qualified and trained).
- c.* Shoes (service uniform)
- d.* Field (desert) boots
- e.* Sleeping bag
- f.* Combination knife
- g.* Mosquito-dome
- h.* Flashlight
- i.* Sun glasses
- j.* Sun lotion
- k.* Non-alcoholic antibacterial hand wash
- l.* Mosquito repellent
- m.* Eye wash solution
- n.* Rehydration packs
- o.* Blackhawk bag.
