References: Council Decision 2012/389/CFSP of 16 July 2012 on the establishment of EUCAP NESTOR
Council Decision 2016/2240/CFSP of 12 December 2016 amending and extending the Mission mandate, as EUCAP Somalia, until 31 December 2018

Dear Ambassador,

1. Background

Council Decision 2012/389/CFSP of 16 July 2012 established a European Union CSDP Mission in the Horn of Africa (EUCAP NESTOR) to support regional maritime capacity building in the Horn of Africa and Western Indian Ocean States, which was amended and extended until 31 December 2018 by Council Decision 2016/2240/CFSP of 12 December 2016.

EUCAP Somalia is looking for two (2) CRT positions for Kenya/Somalia to support the Mission. The first position is for a Finance Officer to be deployed in Garowe. The position has been vacant for a long time and the imprest account is managed by the International Logistic Assistant in loco.

The second position needed is a CIS Assistant for Hargeisa. The staff in place has been absent since the end of June for medical reasons. Both positions will be published in the next CfC but the staff is needed in the meantime.

I kindly invite EU Member States to put forward qualified candidates for the position as listed in Annex 1.

2. Methodology

- a) EU Member States are requested to examine the personal profiles and job description to ensure that:
 - Proposed candidates meet the listed criteria described in the essential requirements and specific job description (**Annex 1**).
 - Each candidate completes the standard job application form in English (**Annex 2**). Applications will be considered only when using this form.
- b) Proposed candidates should satisfy in full the criteria set out in the job description. The main criteria for suitability for the post are professional and specific skills and experience.
- c) I would appreciate if EU Member States submitted offers of personnel at their earliest convenience, **but not later than 10 November 2017 at 17:00 hours (Brussels time)**, to the following e-mail address:

cpcc.crt@eeas.europa.eu

- d) Interviews will take place during the course of November 2017.
- e) The Civilian Planning and Conduct Capability (CPCC) will be responsible for notifying EU Member States of the outcome of the selection process. Communication of the selection results is expected to take place in November 2017.
- f) Selected personnel should be ready for initial deployment to Kenya/Somalia within the deadlines specified in the job description.
- g) Subject to the adoption of another Council Decision approving the appropriate Budgetary Impact Statement, the initial duration of the deployment should be of 3 months with a possible extension.

3. General Information

- a) For seconded positions, only personnel nominations received through official channels from EU Member States will be considered. EU Member States will bear all personnel-related costs for seconded personnel, including salaries, medical coverage, travel expenses to and from the Mission area (including home leave) and allowances other than those paid according to the Council documents 7291/09 (10 March 2009) and 9084/13 (30 April 2013).
- b) The EU strives for improved gender balance in CSDP operations in compliance with UNSCR 1325. EU Member States are encouraged to take this into account when offering contributions.
- c) The selected candidate will have to be in possession of the necessary level of Personnel Security Clearance (PSC) as specified in the job description, when deployed. The seconded personnel should bring the original certificate upon deployment.

- d) The holiday arrangements are set at a national level and subject to change. The national arrangements as applied for regular secondments to CSDP Missions could be used as an indication for a proper holiday arrangement for CRT/EU Member State experts as well. Due to the nature of the short term assignment, it would be preferable that accrued holidays be taken after the deployment has ended.

As a rule there is no leave included during CRT deployments. Any leave will be considered as interruption of service, there will be no allowances of any kind paid by the Mission during any leave period and all travel costs related to the leave must be borne by the sending Member State or by the expert.

- e) It is moreover expected that all newly selected Mission Members have undergone CSDP specific pre-deployment training before joining the Mission. CSDP specific pre-deployment training courses are regularly offered under the auspices of the European Security and Defence College (ESDC). In case ESDC does not offer a suitable course, a national alternative is also an option¹.
- f) Any further information required relating to the selection and deployment of EU staff may be obtained from CPCC by contacting:
