Council Decision 2016/2238/CFSP of 12 December 2016 Amending and Extending the Mission Mandate until 14 December 2018

Dear Ambassador,

### 1. Background

The Council Joint Action 2008/736/CFSP of 15 September 2008 established a European Union Monitoring Mission in Georgia (EUMM Georgia) with a mandate to contribute to the long-term stability throughout Georgia and the surrounding region and in the short term, to contribute to the stabilisation of the situation with a reduced risk of resumption of hostilities, in full compliance with the six-point agreement and subsequent implementing measures. This was amended and extended by Council Decision 2016/2238/CFSP of 12 December 2016 until 14 December 2018.

I kindly invite EU Member States to put forward qualified candidates for the positions as listed in Annex 1. Please be informed that a few of these positions will be reserved for the creation of the Core Responsiveness Capacity, to be announced at a later stage.

### 2. Methodology

- a) EU Member States are requested to examine the personal profiles and job descriptions to ensure that:
  - Proposed candidates meet the listed criteria described in the essential requirements and specific job descriptions (**Annex 1**).

- Each candidate completes the standard job application form in English through one of the following channels:
  - Completing **Annex 2** to this letter (application form in Word format to be sent as an e-mail attachment to the e-mail address indicated at point c) below), indicating which position(s) the candidate is applying for;
  - Completing the online **Application Form (AF)** accessible on the Goalkeeper-Registrar software module at:

<https://goalkeeper.eeas.europa.eu/registrar/>

indicating which position(s) the candidate is applying for. Please note that this option is available to Member States who have operationalised the Registrar module at national level.

- b) Proposed candidates should satisfy in full the criteria set out in the job descriptions. The main criteria for suitability for posts are professional and specific skills and experience.
- c) I would appreciate it if EU Member States would submit offers of personnel at their earliest convenience, **but not later than 14 March 2018 at 17:00 hours (Brussels time)**:

- d) Interviews are planned to take place between 23 March and 27 April 2018.
- e) The Civilian Planning and Conduct Capability (CPCC) will be responsible for notifying EU Member States of the outcome of the selection process. Communication of the selection results is expected to take place in April and May 2018.
- f) Selected personnel should be ready for deployment to the Mission area within the deadlines specified in each job description.
- g) Subject to the adoption of another Council Decision extending the Mission mandate and approving the appropriate Budgetary Impact Statement, the initial duration of the deployment should be of 12 months.

### **3. General Information**

- a) For seconded positions, only personnel nominations received through official channels from EU Member States will be considered. EU Member States will bear all personnel-related costs for seconded personnel, including salaries, medical coverage, travel expenses to and from the Mission area (including home leave) and allowances other than those paid according to the Council documents 7291/09 (10 March 2009) and 9084/13 (30 April 2013).

- b) The EU strives for improved gender balance in CSDP operations in compliance with UNSCR 1325. EU Member States are encouraged to take this into account when offering contributions.
- c) The selected candidates will have to be in possession of the necessary level of Personnel Security Clearance (PSC) as specified in the respective job descriptions, when deployed. The seconded personnel should bring the original certificate upon deployment.
- d) It is moreover expected that all newly selected Mission Members have undergone CSDP specific pre-deployment training before joining the Mission. CSDP specific pre-deployment training courses are regularly offered under the auspices of the European Security and Defence College (ESDC). In case ESDC does not offer a suitable course, a national alternative is also an option<sup>1</sup>.
