On 22/06/2018 we published a vacancy notice for the following post in EDA:

Post title	Directorate	Contract type	Grade
Project Officer Cyber Defence Technology	CAT	SNE	AD10 equivalent

The closing date for applications is 28 August 2018. Due to the insufficient number of applications received for this post, the closing date is now extended.

**New deadline for applications:
1 October 2018**

Candidates are reminded that the on-line application system will not accept applications after midnight (Brussels time, GMT+1) on the date of the deadline. These details are also published on our internet site (www.eda.europa.eu) under “Jobs”.

For the Agency to deliver upon its objectives, it needs to attract the highest level of competent staff. Especially for competences required from Ministries of Defence we need to have the support of Member States to promote EDA vacancy notices and to provide strong candidates.

I thus count on your collaboration to ensure the widest dissemination of these vacancies by your services.
