Call for Candidatures
Deputy Chief Observer
European Union Election Observation Mission to MOZAMBIQUE:
General Elections 15 October 2019

Pending the final decision of the High Representative of the European Union for Foreign Affairs and Security Policy and Vice-President of the European Commission (HR/VP) to deploy an EU Election Observation Mission (EU EOM) to MOZAMBIQUE, the European Commission wishes to initiate the selection procedure for the position of Deputy Chief Observer for the EOM to observe the **General Elections**, scheduled for **15 October 2019**. According to the procedures set out the Commission implementing decision of 29.10.2014 adopting the Implementing Arrangements for Election Observation Missions, C(2014) 7782, the DCO will have the status of Special Advisor under the Title VI of CEOS¹.

The Commission invites interested applicants to submit **by 22.07.2019 (24:00 Brussels time)** their candidature for this position.

Applicants are requested to follow the procedure described hereafter. Applications which do not meet all the specified conditions and formal requirements detailed in this procedure will not be considered. The evaluation of applications and selection of successful candidates will be carried out by a selection committee composed of the Service for Foreign Policy Instruments (FPI) and European External Action Service (EEAS).

1. CONTRACT CONDITIONS

The fees plus allowances of the contract are as follows:

Position	Contract Length (Days)²	DSA in days (in Mozambique)³	DSA/Per Diem in days (Brussels)	Daily Allowance⁴	Security
Deputy Chief Observer	133	127	2	0	

The selected candidate is expected to provide a health declaration (template provided in annex) prior to her/his deployment.

¹ Conditions for Employment of Other Servants of the European Union (CEOS)

² The contract length is tentative and might be modified. The Indicative Contract Length in Days includes the additional availability for the return visit with the Chief Observer (max 10 days) and possible second round of the Presidential elections.

³ DSA in Mozambique: 60 + 140 EUR for accommodation; in Brussels: 102 + 148 for accommodation

⁴ At present not applicable in Mozambique

The successful candidate shall follow respectfully and at any time during her/his assignment as observer, the EU Code of Conduct for Election Observer, provisions of CEOS relative to Special Advisors as well as the European Commission, EEAS, EU EOM Core Team and Service Provider instructions, in particular security and safety instructions, upon deployment and throughout the mission.

Due to both security and reputational risks, DCO and other mission members are strongly discouraged from staying in the country, for personal reasons, outside their deployment period. Service Providers are instructed not to modify mission travel tickets.

The European Commission strongly discourages the EU EOM Mozambique Members to bring along their dependents to the Mission. Should they decide to do so, they have to be aware that the EU EOM infrastructure cannot be used for them, including in the case of medical or security evacuations.

Failure to follow the Code of Conduct and instructions may result in an anticipated termination of the observer's assignment, immediate repatriation to the place of residence and non-recommendation for future EU EOMs.

Contract form: the successful candidate shall be contracted by the European Commission Services as a Special Advisor under Title VI of COES⁵.

Please be aware that the eligibility criteria (citizen of a Member State) should ideally be fulfilled for the entire duration of the assignment. If the United Kingdom withdraws from the EU during the duration of the assignment without concluding an agreement with the EU ensuring in particular that UK citizens continue to be eligible, you may cease to receive EU funding or be required to leave the assignment.

Duration of availability/contract duration: Candidates are requested to be available for the period foreseen under *Point 1*, and during the dates indicated under *Point 5 (tbc)*. These dates are indicative. The selected candidate will be contracted for the duration specified under *Point 1*. "*Indicative Contract length in days.*"

Payment: All payments shall be based on request for payment from the successful candidate addressed to the relevant European Commission service (FPI.3), indicating clearly the number of days worked (de facto).

"Code of Conduct

The following guidelines will apply to nationals of any country participating in EU observation missions decided by the EU unless specifically agreed otherwise. The guidelines will not apply to EU nationals participating in e.g. OSCE or UN missions, in which case those organisation's own codes will apply.

All official EU observers should adhere to the following guidelines:

- Observers will participate in all pre-election briefings with their supervising officers;
- Observers will be subject to the direction and management of the observer team leadership, carrying out their written terms of reference and covering the geographical schedules specified by team leaders;
- Observers should be aware of the presence of other electoral monitoring teams, and liaise with them under the direction of the leader of the EU observer team;
- Observers will carry prescribed identification issued by the host government or election commission, and will identify themselves to any interested authority upon request;
- Observers shall maintain strict impartiality in the conduct of their duties, and shall at no time express any bias or preference in relation to national authorities, parties, candidates, or with reference to any issues in contention in the election process;
- Observers will not display or wear any partisan symbols, colours or banners;
- Observers will undertake their duties in an unobtrusive manner, and will not disrupt or interfere with the election process, polling day procedures, or the vote count;
- Observers may bring irregularities to the attention of the election officials, but will not give instructions or countermand decisions of the election officials;
- Observers will base all conclusions on well documented, factual, and verifiable evidence, and will keep a record of the polling stations and other relevant places that they visit;
- Observers will refrain from making any personal or premature comments about their observations to the media or any other interested persons, but should provide, through a designated liaison officer or spokesperson, general information about the nature of their activities as observers;
- Observers will participate in post election debriefings with their supervising officers and will contribute fully towards appropriate EU reports on the elections monitored;
- Observers must comply with all national laws and regulations. Where these limit freedom of assembly or movement about the country, they must note where such rules prevent them from carrying out their duties;
- At all times during the mission, including during private time away from work, each election observer should behave blamelessly, exercise sound judgement, and observe the highest level of personal discretion."
