Applicants are requested to follow the procedure described hereafter. Applications which do not meet all the specified conditions and formal requirements detailed in this procedure will not be considered. The evaluation of applications and selection of successful candidates will be carried out by a selection committee composed of the Service for Foreign Policy Instruments (FPI 3) and European External Action Service (EEAS).

1. CONTRACT CONDITIONS

All selected candidates are expected to provide a Health Declaration prior to their deployment.

Successful candidates shall follow respectfully and at any time during their assignment as observers, the EU Code of Conduct for Election Observer as well as the European Commission, EEAS, EU EOM DCO and Service Provider instructions, in particular security and safety instructions, upon deployment and throughout the mission.

Due to both security and reputational risks, EU EOM mission members are not allowed to stay in the country for personal reasons, outside their deployment period. Service Providers are instructed not to modify mission travel tickets.

The European Commission strongly discourages the Mission Members to bring along their dependents to the Mission. Should they decide to do so, they have to be aware that the EU EOM infrastructure cannot be used for them, including in the case of medical or security evacuations. This rule is applicable to all members of the mission.

The fees plus allowances of the service contracts are as follows:

The contract length is tentative and might be modified

Per diem in Sri Lanka: 211 EUR/day. Per diem in Brussels: 232 EUR/day

Home based working days are tentatively foreseen and should be prior approved by EC Services.

For the EU EOM to Sri Lanka 2020, no Daily Security Risk allowance is foreseen.

Failure to follow the Code of Conduct and instructions may result in an early termination of the expert's assignment, immediate repatriation to the place of residence and non-recommendation for future EU EOMs.

Contract form: Successful candidates shall be contracted by the Service Provider selected for the implementation of the EU Election Observation Mission and receive letters of assignment. They will be employed as Core Team experts based on the scheme of Commission remunerated external experts foreseen by Article 204 of the Financial Regulation n°966/2012 and its Rules of Application (Article 287). Please note that this scheme requires the expert to sign a *declaration of absence of conflict of interests and confidentiality* (signed upon application) and involves ex-post transparency about the names, functions and remuneration received by the experts, which will be published yearly on the EC website.

Duration of availability/contract duration: Candidates are requested to be available for the period foreseen under *Point 1*, and during the dates indicated under *Point 6*. These dates are indicative. Selected candidates will be contracted for the duration specified under *Point 1*. "*Indicative Contract length in days.*"

Suspension clause: The contracts shall also contain a “suspension clause” to allow for the termination or suspension of the EU EOM before the initially foreseen end dates, which would also lead to the termination of the respective service contracts with the selected candidates.

Payment: All payments shall be based on an invoice from the successful candidates addressed to the Service Provider. This invoice has to clearly indicate the number of days worked (de facto). Members of the Core Team will be paid an amount which includes fees, per diems and risk allowance (if applicable) for the days actually worked.

2. SCREENING OF APPLICATIONS TO ESTABLISH A SHORTLIST

Applicants' references and professional experience may be checked and language proficiency tested through phone interviews by European Commission officials during the selection process.

The selection procedure will follow the steps detailed hereafter. For each position incoming applications will be assessed against the following criteria:

- Complete application received within the deadline
- CV registered online in the Roster of European Union election observers at the following address: <https://webgate.ec.europa.eu/europeaid/applications/eom/index.cfm>
- Declaration of availability for the entire deployment period as specified in the tentative timetable of the *section 4* (in case of selection, a subsequent non-availability might impact negatively on the consideration for future core team positions except for cases of “force majeure”).

- Declaration of absence of conflict of interests and of confidentiality.
- **Language proficiency: excellent written and spoken proficiency (level C1)¹ in English. The working and reporting language of the mission will be English.**
- Professional experience: i) participation in at least one Election Observation Missions as Core Team member or three Long Term Observer (LTO) (this may include EOMs organised by other organisations) or at least two election assistance/monitoring/supervision projects. Participation in an EODS/NEEDS core team training for the required position will be taken into consideration and will count for one professional experience as CT member.
- Computer literacy.
- Excellent physical condition and good health to cope with long working hours under particularly tough logistical conditions. Possibility of potentially demanding physical efforts.

In the event that more than three candidates satisfy the aforementioned criteria, the following criteria will be used to establish a shortlist of three candidates:

- Professional experience in EU EOMs and/or EU Election Expert Mission; experience gained in the field of electoral assistance will be considered an asset. Previous evaluations during EU EOMs will also be taken into account by the Selection Committee. **Any applicant evaluated as 'not recommended for future missions' will not be taken into account by the selection committee for 5 years counted from the 'election date' of the mission in the roster for which the person was negatively evaluated.**
- Participation in an election observation training course (e.g. Member States training, NEEDS/EODS, EUEOM or other) will be considered an asset, and, in case of a participation in a NEEDS/EODS training session, training feedback will be taken into consideration.
- Knowledge of the country or region will be considered an asset.

3. SELECTION OF THE SUCCESSFUL CANDIDATE

The Selection Committee will select one of the three candidates shortlisted for each position taking into consideration the following elements:

- Professional experience in EU EOMs and/or EU Election Expert Missions and other EOMs in the same position and comparable positions.
- Proven managerial capacity, organisational skills and capacity to work as part of a team in past EU EOMs.
- Language proficiency in English (C1).

¹ Level C1 according to the Council of Europe languages levels available at http://www.coe.int/t/dg4/education/elp/elp-reg/Source/Key_reference/Overview_CEFRscales_EN.pdf

- Considered strong assets without being exclusive: Experience in the country, in the region, or in similar contexts.
- **The selection committee will also aim to achieve a balanced mix of nationalities and gender in the composition of the Core Team. The European Commission strongly encourages applications from newcomers and recent participants in relevant EODS training courses. These aspects provide additional criteria for the selection of Core Team members.**

In addition, full flexibility is required from the candidates in terms of mission timetable.

4. COMMUNICATION WITH APPLICANTS

- a) Apply at <https://webgate.ec.europa.eu/europeaid/applications/eom/index.cfm>

This measure is taken to ensure a level playing field for all applicants.

- c) The deliberations of the Selection Committee are confidential.
- d) Applicants who are not selected will be informed individually by email. The Commission services do not have capacity to automatically provide individual feedback due to the large number of applicants, however in case of further inquiry please refer to the functional mailbox: FPI-EUEOM-APPLICATIONS@ec.europa.eu.
- e) The Selection Committee's decision is final.

For the entire selection process and the preparations for fielding, the Commission will only take into consideration the data entered in the CV in the Roster (departure airport, passport data, e-mail addresses, telephone numbers, etc.). *Should* a CV not include all the required information, the applicant may be rejected.

5. CONDITIONS NECESSARY TO ESTABLISH SERVICE CONTRACTS
