Clarifications:

- The present position is classified, according to section A of Annex I SR, as a post of Administrator. Candidates who are EU officials in the function group AD must therefore occupy at the moment of the application (or have occupied as the last post before their change in administrative status⁴) a post of "*Administrator*" grades AD5-AD12 or be an EU official in the function group AST who is on the list drawn up according to Article 45a (c) SR ("certification procedure").
- Officials assigned according to Article 30 of the annex XIII SR to the type of post "*Senior Administrator in transition*" (AD14) or "*Administrator in transition*" (AD13) can apply for posts which correspond to the type of post of Administrator. If selected, she/he will be transferred in the interest of the service. This transfer in the interest of the service will not modify the Type of Post of the person. Transfers in the interest of the service under Article 7 SR are only possible within the same Institution; therefore EU officials AD13 and AD14 from other Institutions are not eligible.
- Candidates who at the moment of the application are EU officials, independently of their administrative status, cannot request to be recruited as temporary staff to whom Article 2(e) of the CEOS applies, i.e. staff seconded from national diplomatic services of the Member States
- Applications from officials currently serving in a Delegation are, in principle, not eligible and may only be considered in the interest of the service or in case of an application for a higher type of post ("career progression"). This is due to the need to ensure sound financial management of the limited financial resources, given the fact that the assignment of a staff member to a Delegation has important budgetary and business continuity implications.
- "Career progression" refers to applications for a higher type of post according to Annex I SR. In this case it refers to EU officials in the function group AST who are on the list drawn up according to Article 45a(c) SR ("certification procedure") and apply for their first AD post.
- In order to be considered as a candidate from national diplomatic service in the sense of Article 98 SR, such candidates shall provide at the moment of their application a certificate from their national diplomatic service which will clearly state that they are staff from national diplomatic service, as well as a guarantee of "immediate reinstatement at the end of their period of service to the EEAS" in accordance with Article 50b(2) CEOS.
- Competition EPSO laureates may express their interest for this job, provided that they meet the eligibility requirements set out at points 3 and 4 above. Their candidatures will be considered only in the event that no suitable candidate can be found among candidates covered by article 29 (1) (a) and article 98 SR or article 29 (1) (b) SR. Should a competition laureate be selected for this job, she/he will be subject to the same obligations of mobility as other EEAS staff members.

Candidates should:
