A moment of the event

The 2020 EU "Dreams of Europe and China" Children's Painting Exhibition, after the opening in Tianjin last year, was exhibited in Zhengzhou, Xi'an and Guangzhou. I came to Beijing today and met with Beijing residents at the "Hello Mart" Shopping Center. Through the exhibition, people can learn about China in the eyes of European children and their understanding of environmental protection and health. At the same time, the exhibition brings an international cultural atmosphere to the shoppers.

The exhibition lasts until January 31. Open from 10 am to 10 pm every day.

This painting exhibition is sponsored by the EU Delegation to China, co-organized by the China Foundation for Peace and Development, and undertaken by the "World and China" magazine. Since the establishment of the EU "Dreams of Europe and China" Children's Painting Exhibition in 2011, it has been held in various parts of the country every year. The EU Children's Painting Exhibition exhibits 166 paintings from 9 EU countries including Bulgaria, Slovenia, Greece, Belgium, Slovakia, Germany, Hungary, Denmark and Lithuania.
