S O F I A

Excellency,

May I express my deep thanks to your Excellency for your warm congratulations and best wishes on the occasion of my appointment as Second Prime Minister of the Royal Government of Cambodia.

The Royal Government and the Cambodian people will always remember the sacrifices made by the Bulgarian contingents to UNTAC which have successfully contributed to the UN peace process in Cambodia. Bulgaria and Cambodia have always enjoyed an excellent bonds of friendship and cooperation and I am sure that under the wise leadership of our King, His Majesty NORODOM SIHANOUK, these bonds of friendship will continue to prosper.

Please accept, Excellency, the assurances of my highest consideration.
