CIVIL DEFENCE COMMITTEE
WORKING GROUP ON REFUGEES
STUDY ON A PLANNED NATO WARTIME REFUGEE AGENCY
Note by the Greek Delegation

Reference: AC/23(CD/RE)D/3

With reference to the above, may I inform you of the opinion of my Authorities that, when studying the creation of the wartime Refugee Agency, the fact that Greece will have to meet the problem of refugees from the adjacent Countries (Albania, Yugoslavia, Bulgaria and Turkey), should be taken into consideration.

2. These views of my Authorities were presented during the meeting of the Ad Hoc Working Group on Refugees in the Mediterranean Countries, on 7th/8th November, 1962 (AC/23(CD/RE-S)R/2).
