The EEAS works in close cooperation with the General Secretariat of the Council, the services of the Commission and the Secretariat General of the European Parliament.

The "Integrated approach for Security and Peace Directorate" (ISP.DMD) is responsible for coordinating and managing the EEAS overall contribution to the integrated approach as identified by the EU Global Strategy combining security, development and diplomatic actions in support of a common set of agreed objectives. In this framework and in cooperation with geographic and thematic EEAS services as well as other EU institutions, ISPD ensures effective coordination of the EU response throughout the entire conflict cycle, from early warning and horizon scanning to political-strategic planning for crisis management and stabilisation, as well as on the security of EU citizens in crisis zones, as appropriate. In close cooperation with other geographic and thematic services, ISP.2 is responsible for: i) Identifying countries at risk of instability and/or violent conflict through the EU conflict Early Warning System, horizon scanning and other means; ii) ensuring systematic joint conflict analyses of countries at risk of/facing conflict or instability and where the EU has ongoing/planned significant engagement; iii) advising on conflict sensitivity of EU responses in fragile contexts; iv) promoting mediation, dialogue and prevention activities to support the EU's efforts to preserve peace at any stage of the conflict cycle; and v) policy development in the areas identified above. ISP.2 is composed of two teams: Conflict Prevention and Mediation Support.

As an EEAS centre of expertise on conflict prevention, peacebuilding and mediation, ISP.2 advises EEAS HQ and EU Delegations on policy, programming, training, technical support and operational issues. Throughout its work, ISP.2 engages closely with the Commission, the EU Member States and key partners in order to promote an integrated 'whole-of-EU' approach.

We propose:

The Policy Officer will join the **Mediation Support Team (MST)**. Since 2011, the MST, provides advice on mediation process design and technical expertise on the key aspects of mediation and dialogue.
