POSTING POLICY⁶

EEAS career development policy places the need for staff to develop a mix of competences at its core, e.g. working in various fields of expertise and responsibilities in the course of a person's career, including postings at Headquarters and Delegations. Therefore, staff members are encouraged to alternate between Delegation and Headquarters postings.

A posting in an EU Delegation is generally for 4, 3, or 2 years. Posting duration may be extended by one year or shortened by one year. Call for interest to apply for extension or early rotation will be launched annually prior to the publication of the rotation exercise. Staff are reminded that extension and early rotation are not a right.

⁶ ADMIN(2021) 221: Decision of the High Representative of the Union for Foreign Affairs and Security Policy of 01/07/2021 on the periodic serving of Officials and Temporary Agents in Union Delegations.

For posts with a LCA⁷ of 25% or less, the posting will in principle be for **4 years**.

For posts where the living and working conditions are defined as "difficult" and "very difficult" (30%-40% LCA) the posting will be in principle for **3 years**.

For non-family postings⁸ the posting is reduced to **2 years**. For candidates currently in compound-confined, non-family posting, please refer to Article 6, point 2(g) of the Decision ADMIN(2021)221.

Applications from officials currently serving in a Delegation who are not included in the 2023 rotation list will be eligible only in the interest of the service. This is due to the need to ensure sound financial management of the limited financial resources, given the fact that the assignment of a staff member to a Delegation has important budgetary and business continuity implications.

Officials shall serve in Union Delegations for no more than two consecutive postings. Only in the interest of the service, the Appointing Authority may exceptionally authorise a third consecutive posting, on condition that the total duration of the assignment to Union Delegations, including the duration of an exceptional third consecutive posting, shall not be superior to 12 years and three months. After two, or exceptionally three, postings, the official shall return to headquarters.

Candidates currently in HQ are expected to have served at least two years in HQ by the expected time of posting in Delegation. Derogation to this rule may only be granted in the interest of the service.

It is in the interest of the service to ensure that staff members in Delegations are able to complete **full postings** before reaching the age of retirement. Before taking any final decisions on nominations, the appropriate Appointing Authority will ensure on a case-by-case basis, in accordance with the Staff Regulations (SR) and Conditions of Employment of Other Servants to the Union (CEOS)⁹ that the successful candidates will indeed be able to complete the relevant full posting for the post for which they were selected. As stated in Article 6, Point 2(a), applications from candidates not fulfilling this requirement will be examined by the Appointing Authority for exceptional and justified reasons and in the interest of the service.
